

TESTIMONIALS

When planning our company Christmas Party this year, we wanted something different for the entertainment. We decided to hire Gary Summers, Stage Hypnotist to do the job. And what a job he did! It was an excellent time...employees are still talking about it. Out of the 20 volunteers that went on stage, about 15 were hypnotized and I was one of the volunteers to be hypnotized. I wasn't sure what to expect but apparently it worked. Everybody said I was very animated and they thoroughly enjoyed it. After the hypnosis, I felt very energetic...the most I energetic I've felt in years...and also very confident and happy. It was a wonderful experience and I would recommend it to anyone. If you require entertainment for your event, I would highly recommend Gary Summers as the stage hypnotist. You definitely get your money's worth and have a great time too!

"Gary's show was the entertainment highlight of the 2010 NL Winter Games. His two performances during the games were professional, hilarious, interesting, and fun - a perfect combination for a diverse audience! His first show was so well received and talked about, that the second show was attended by not only athletes, but coaches, managers, parents, teachers, and volunteers. I would recommend Gary's show to future games host committees without hesitation."
